

Mission Statement

Established in 1988, as a non-profit, our mission is to rescue dogs, cats, and other animals from shelters where they may be euthanized due to time limitations, illness, injuries or lack of socialization and training. We also take in owner surrenders when space is available. We are dedicated to educating the public about the pet overpopulations crisis, the importance of spaying/neutering and responsible pet ownership.

To be effective, our shelter concentrates our attention and resources on one segment of the animal problem: those in shelters and facing euthanasia. These animals need a second chance at life and it is our goal to provide that opportunity for as many of these pets as possible.

Helping us fulfill our mission are Pet Pal Veterinary Clinic and Pet Pal Thrift Store. The clinic provides affordable vet care to the public as well as providing care to our shelter animals, and proceeds from the clinic help fund the shelter. Proceeds from the Pet Pal Thrift Store also help fund the operation of the shelter. By supporting these businesses, you also support the mission of Pet Pal Animal Shelter.
