

Dear Animal Lover,

Pet Pal Animal Shelter is a *no-kill, nonprofit 501(c)(3) organization* funded entirely by private donations. Our mission is to rescue dogs and cats from shelters that may otherwise be euthanized due to time limitations, illness, injuries or lack of socialization and training. This year, we are quickly closing in on our goal of 1,000 animals rescued. Many of these pets were in need of heartworm treatment, surgery, or rehabilitation for various medical conditions. As you can imagine, the costs of rehabilitating and rehoming these pets become greater each year. In order to continue to fulfill our mission, we must rely on the support of generous businesses and individuals in our community.

We are proud to be a part of such a supportive community, and we invite you to celebrate our triumphs in saving animals' lives during our 22nd Annual Puppy Love Benefit being held on Saturday, June 1st at the Tradewinds Island Grand Beach Resort in St. Pete Beach. The event will be an entertaining tropical gala including dinner, live and silent auctions, adorable pups, entertainment, and more!

As you might know, Puppy Love is our largest fundraiser of the year. It is vital to the day-to-day operation of our facility, providing much needed funds for the care and recuperation of our animals. You can be an important part of this event in the following ways:

SPONSOR: As a sponsor of our 22nd Annual Puppy Love Benefit, your organization will receive many benefits in recognition of your generosity. These will include recognition on our website and all of our social media.

DONATE: Provide merchandise or services to be used in our auctions. With our substantial social media presence, donating to our silent or live auction will provide valuable exposure for your organization and help raise money for the animals, too!

For more information, email info@petpalanimalshelter.com or call us at 727-328-7738.

Please remember, your donation is tax-deductible and your support is invaluable. Thank you in advance for making Pet Pal Animal Shelter's 22nd Annual Puppy Love Benefit a success!

Sincerely,

Scott Daly
Executive Director

Puppy Love Sponsorship Opportunities

Thank you for considering a Puppy Love sponsorship to support our shelter. This fundraiser is vital to the operation of our shelter, and all proceeds are used in the care and treatment of our animals.

To show our appreciation, all sponsors will receive recognition on our website, in our emails to new adopters, and in all of our mailers for an entire year. We will recognize sponsorships on our 22nd Annual Puppy Love Benefit website and in all of our social media (30,000+ audience) leading up to and on June 1, 2024.

Diamond - \$10,000 *includes one table (10 guests)*

Pet Pal Animal Shelter invests hundreds and sometimes thousands of dollars rehabilitating the animals we rescue. In the last year these animals included 479 dogs, 357 cats and 15 small critters. Unfortunately, adoption fees do not cover our actual out-of-pocket expenses for surgery, medications, food, and general kennel maintenance.

Your donation will help us say yes when others say no to difficult or costly cases. It will help us to rescue, transport, rehabilitate and rehome dogs, cats and small critters throughout the year.

Gold - \$5,000 *includes two guests*

Our Pit Project is in place to set up pit bulls and their adopters for success. The program provides training, crates, toys, a reduced adoption fee and other perks to help their transition to a new home succeed. In the last year, we found loving homes for 31 pit bulls and pit mixes.

Your donation will help us provide these tenacious and loyal breeds with what they deserve.

Silver - \$1,000

In the past year, we rescued and transported hundreds of animals from other shelters. This fulfills our primary mission to save animals that are at risk of being euthanized. Transport is essential but requires gas, vehicle maintenance, and even tolls.

Your donation will help us to finance the transport of dogs, cats and small critters to our shelter.

Bronze - \$500

Our foster program is integral to the operation of the shelter. It allows us to rescue countless puppies and kittens that are too young to remain in the shelter, and allows animals with difficult medical conditions to recover in a home environment. In the past year, 161 cats and 109 dogs were fostered through this program.

Your donation will help us to provide the necessities for our animals in foster care.
